

WHINS Checklist: Classic, Collector, and Exotic Car Insurance

Quote preparation checklist

What to Gather Before Requesting a Quote

- Vehicle list, agreed values, photos, appraisals, restoration records, and spare parts.
- Usage, mileage, storage, drivers, events, and whether vehicles are part of a collection.
- Daily-driver coverage, umbrella alignment, track/business use, and transport exposure.
- Ownership structure, garaging, security, and prior claims.

Helpful Documents

- Current declarations pages or quote indications, if available.
- Any contracts, lender requirements, or certificate requirements.
- Recent loss runs or claim history when applicable.
- Target effective date and timing constraints.

Questions to Be Ready For

- What changed that triggered the review?
- Are there deadlines, contracts, lender requirements, or renewal dates?
- Has there been any prior claim, cancellation, non-renewal, or coverage restriction?
- Are there related coverage lines that should be reviewed together?
