

WHINS Checklist: High-Limit Personal Umbrella Insurance

Quote preparation checklist

What to Gather Before Requesting a Quote

- Current home, auto, rental, watercraft, and underlying liability limits.
- Drivers, youthful drivers, household members, entities/trusts, and properties owned.
- Desired limit, asset profile, public-facing roles, board service, and prior losses.
- Excess UM/UIM needs, rental exposures, and underlying carrier requirements.

Helpful Documents

- Current declarations pages or quote indications, if available.
- Any contracts, lender requirements, or certificate requirements.
- Recent loss runs or claim history when applicable.
- Target effective date and timing constraints.

Questions to Be Ready For

- What changed that triggered the review?
- Are there deadlines, contracts, lender requirements, or renewal dates?
- Has there been any prior claim, cancellation, non-renewal, or coverage restriction?
- Are there related coverage lines that should be reviewed together?
